WE WILL MISS YOU MISS. EMILY!

Dear Families,

My journey with Parents Co-op started in 2016 when my husband and I were looking for a place for our 2-year-old daughter to escape the company of her newborn twin brother and sister. The passion and dedication from the teachers and administration at the school was immediately noticed and we were quickly hooked.

As our twins grew and I was finally able to leave the house, I chose to become part of the PCP board. My year on the board was an adventure as it led us to the beginning of COVID and navigating what that looked like for our little tight-knit community.

When the opportunity arose to become the 3K teacher, I was nervous but excited to be able to carry on that passion for our youngest learners. It has been an honor to teach your littles these past 5 school years and I am proud of the things I was able to contribute to help make PCP a fun and exciting place to learn and grow.

Now the tough part. I have made the difficult decision to take a full-time position with the after school program in town. This decision did not come lightly but at the end of the day it is what is best for my family. My last day as your child's teacher will be our concert day. 3K AM classes will still continue as usual with Mrs. Jennifer Slak, who has been a part of PCP staff for the past 4 years and her family was part of PCP with their children for 5 years.

I thank you all for trusting me with your most precious people. I hope to see them around town, and maybe soon enough, at the after school program.

All the best, Ms. Emily
